Belden - Fulton - Tupelo

The theme for the 2017 Mirror is "Through the Eyes of an Indian." We, as a staff, hope that through the pages of this yearbook, you will see what it's like to see Itawamba Community College through our eyes as a student body or member of the faculty and staff. To provide a "first person" look, we've provided quotes with parentheses around them that best describe the fun and amazing experiences that ICC provides. We hope that you, too, will identify with what we think makes ICC a special place as you see it "Through the Eyes of an Indian."

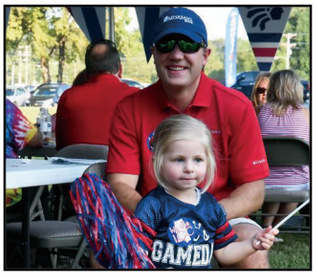
TAILGATE 2016



Friends and alumni of Itawamba Community College enjoyed good food and plenty of fellowship at President Mike Eaton's annual tailgate party prior to the Sept. 1 football season opener with Mississippi Gulf Coast Community College.

The tailgate party has become one of the College's annual traditions, and among those on the guest list are alumni, family and friends of ICC.

The event, which was sponsored by ICC's Community Relations department, returned to the Indian Grove for the first time in several years. It also featured activities for children, including face painting, karaoke, photos with Chief Winnemaw, and it was the perfect setting for catching the Indian spirit prior to the kickoff of the 2016 football season.

My favorite memories from the tailgates were when my friends and I in Indian Delegation would dance to 'Juju On That Beat' at our tent!

A Night to Remember

A night to remember for sure. Thursday, September 22, 2016, Itawamba Community College had a special guest during its salute to the military, Col. Carlyle "Smitty" Harris, USAF ret., of Tupelo. An ICC alumnus, he participated in the coin toss before the ICC/East Mississippi game. Harris was imprisoned during the Vietnam War from April 4, 1965 to February 12, 1973. He missed eight birthdays, eight anniversaries with his wife and the birth of his son.

Past and current members of the armed forces were honored during this night at Lambert Stadium/Eaton Field. ICC's All-American Band saluted the different branches during the halftime show.

NATURALIZATION CEREMONY

"Witnessing a piece-of-history"

On September 16, Itawamba Community College made history by hosting the first-ever naturalization ceremony on a community college campus in Mississippi. During this ceremony, 60 people took the oath of citizenship and officially became United States citizens. These amazing individuals came from 22 different countries around the world. Chief U.S. District Judge Sharion Aycock presided over the ceremony. She described the ceremony as a "perfect oppurtunity for students to witness a piece of history and simultaneously learn more about the United States Constitution, which is a core part of our democracy."

The new citizens hold their hands over their hearts while reciting the Pledge of Allegiance.

Indian Week

Indian Week 2016 included cookouts, games, a hypnotist, movies and the finale of Indian Idol on the Fulton Campus. There were also some movies, games, a career boot camp and a performance by CenterStage on the Tupelo Campus. In addition, students on both the Fulton and Tupelo campuses searched for the Lost Indian, which yielded prizes to the winners who followed clues, which were posted on the website and on Student Activities bulletin boards. Students from both campuses participated in the events, April 18-21, which provided an opportunity for rest and relaxation before tackling their stressful final examinations. The Student Government Association sponsored the week's activities at both Fulton and Tupelo.

Winner of Indian Idol

Once again, Itawamba Community College's Indian Idol contestants performed before packed houses, not only during the preliminary elimination rounds, but also the finale on April 21. During the finale, Georgia Kate Conner of Ripley was selected the 2016 Indian Idol. During the competition, ICC's students sang their way through the auditions to make the elimination rounds for Indian Idol, based on the long-running hit show, American Idol, which ended its long run in 2016 with Amory's Trent Harmon as the winner. The popular annual event is sponsored by the Fulton Campus Student Government Association.

Indian Idol was such a great experience. Being chosen as Indian Idol is a memory I will cherish forever; it was an absolute blast!

Commencement 2016

The speakers at the two commencement ceremonies on May 14, 2016 addressed a common theme. Former Lieutenant Governor Amy Tuck and Toyota Executive Sean Suggs delivered addresses for the A.A. and A.A.S. ceremonies respectively, and shared life advice with more than 600 graduates.Tuck challenged the A.A. graduates to aim high, be a person of integrity and honor and never mistake knowledge for wisdom. "I believe ICC prepared you well by providing the skills to shape the quality of your life and the lives of others." Suggs advised the A.A.S. graduates, "For most of your decisions, follow your heart, your gut feeling. You're graduating from one of the top community colleges in the nation. Companies are looking for people with great attitudes and for graduates from ICC." This year, more than 1,300 graduates earned degrees from ICC.

Indian Baseball 2016

The Indians baseball team completed the 2016 season with a 27-20 overall record and a MACJC record to earn a playoff berth after a two-year absence. After a competitive playoff series with Meridian, the Indians saw their season come to a close, but several Indians excelled to earn postseason awards, scholarships to the next level and even to one having his name called in the MLB Draft.

Sophomores Ty Wheeler, Drake Rowton, Blake Bennett and freshmen Steffon More and Tyreque Reed were named MACJC Second Team All-State, while Timothy Rowe and Delvin Zinn earned MACJC postseason honors. Roe was named MACJC All-State and NJCAA All Region 23, and Zinn earned MACJC All-State.

After the season was complete, sophomores Jonas White and Ty Wheeler signed with Blue Mountain College, and Rowton signed with Arkansas-Monticello. One Indian moved on to the SEC as Roe decided to continue his career with Ole Miss. Zinn was drafted by the Chicago Cubs after his freshman season and signed with the club to continue his career as a professional.

Lady Indian TENNIS 2016

ICC tennis was honestly some of the best days of my tennis career. I learned the importance of balancing my studies while having the responsibility of tennis. I met lifelong friends and absolutely loved playing for the Hall of Famer coach Paul Johnson. Winning state and regionals earned us a trip to Arizona my freshman year, and it was one of the coolest experiences of my life. I left with some of the best stories to tell! I consider myself truly blessed because of my tennis experience at ICC.

The women's tennis program finished the 2016 season with an 8-4 record, finished fourth at the MACJC/NJCAA Region 23 Tournament and had one individual champion in Coach Paul Johnson's final season at ICC. The Lady Indians won five in a row in the middle of the season that helped earn them a spot in the MACJC/NJCAA Region 23 Tournament leading to one last champion for Coach Johnson as Madison Scott won the No. 4 singles title. After the season was complete, the Lady Indians won another important title by being named the MACJC Women's Overall Academic All-State Team for excelling in the classroom. Andria Barnes advanced to the No.2 singles finals in her sophomore season and signed to continue her career at Blue Mountain College. Coach Johnson wrapped up his illustrious career with seven women's team titles and a total of 24 at the helm of the ICC tennis program.

The men's tennis program finished the 2016 season with a 3-7 record and saw the end of a great coaching era as Coach Paul Johnson retired after 40 plus years at ICC. The Indians picked up big wins over Holmes and rival Northeast before Coach Johnson wrapped up a career, which included 17 championships in men's tennis and seven on the women's side, as well as, numerous players advancing to the next level. In his final season, Coach Johnson sent one more player to the next level as Mark Robbins signed to play at Blue Mountain College after a successful two seasons at ICC.

By being a student-athlete, I learned how to excel in academics and athletics simultaneously. ICC gave me the time, resources and support to be more than just a student-athlete. I learned how to be a leader, a scholar, a competitor, and a friend.

Being a student-athlete at ICC is amazing. Yes, we get the full college experience, but we also get the team experience as well. The bonds that we create with the coaches and teammates are unbeatable. Being a student-athlete is something I will never regret in life even with the blood, sweat, and tears put into us playing.

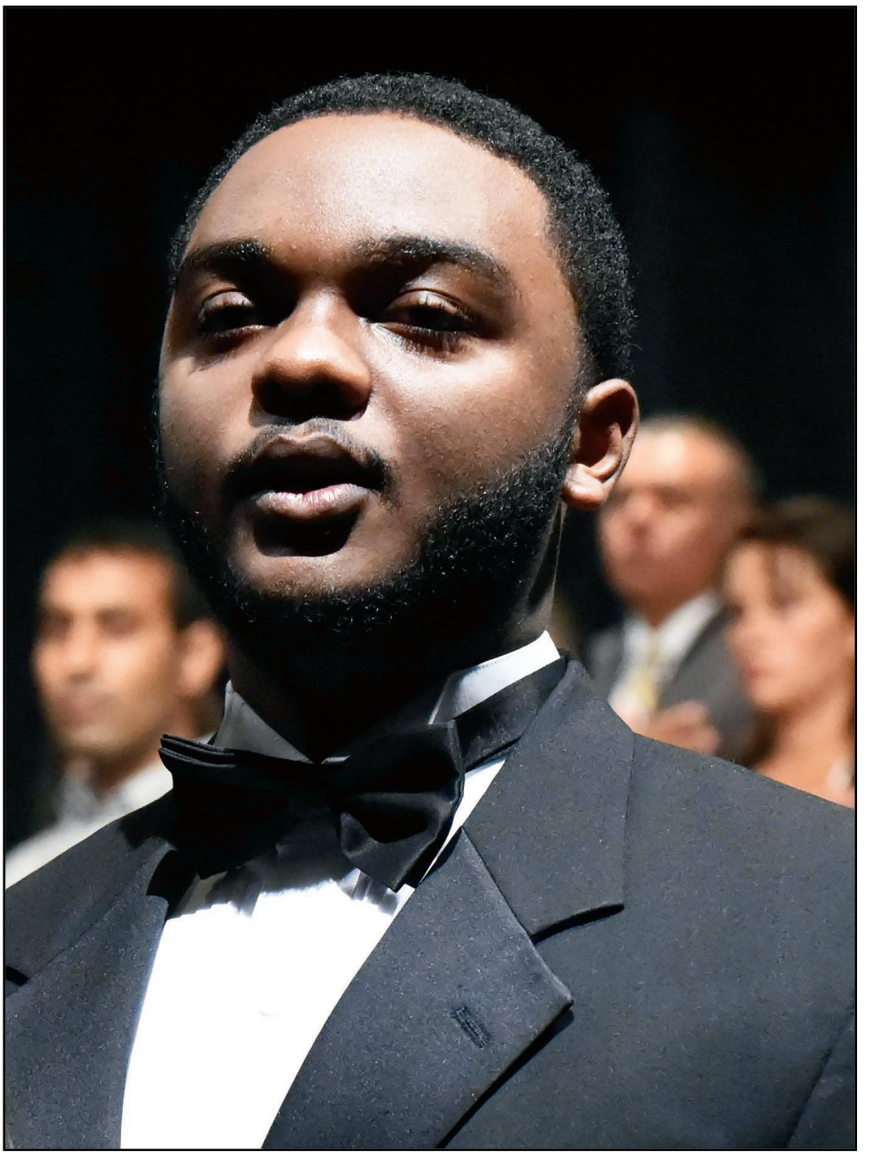
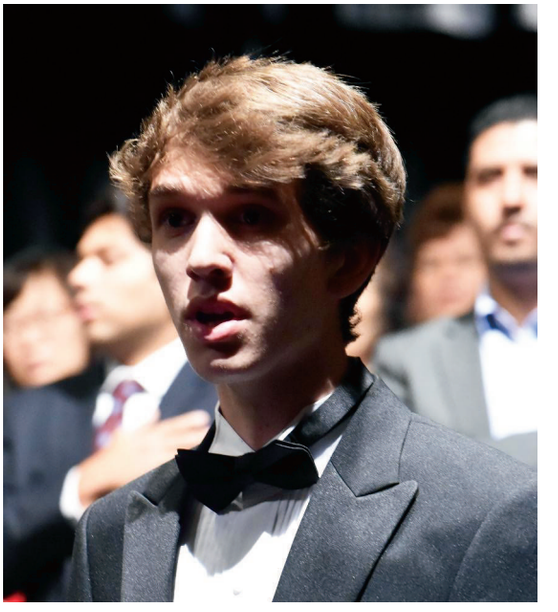
Chamber Choir

Chorus

The Itawamba Community College Choral Division of the Music Department consists of two ensembles - the ICC Chorus and the Chamber Choir. The ICC Chorus is composed of students from different majors who like to sing, want to learn more about music and who are willing to work with a great group of students to represent ICC. To be a member of the chorus, students must be able to sing on pitch and blend with other singers.

The Chamber Choir includes students who are able to sing more difficult music and are willing to work to perform it at a very high level. Members of the Chamber Choir are selected by audition from the membership of the ICC Chorus.





Choir was a great experience for me. It let me be involved on campus, and it was a great way to meet new people.

"Send Me No Flowers"

The production stars George Kimball, a Westchester commuter whose favorite hobby is hypochondria. When he mistakenly overhears his doctor discussing another patient with heart trouble, he prepares to meet the end bravely, sure it is "his time". Putting his affairs in order, he writes a heartbreaking letter to his wife to be read as his eulogy. He even arranges a good second husband for his soon-to-be widow, with a cemetery plot for three: himself, his wife and the new future "Mister Kimball".

This was, by far, my favorite production I've ever done. I loved working with and getting to know my castmates and crew!

A tribute to... ICC's President

2013-2017

Mike Eaton

President Mike Eaton announced his retirement this year, effective June 30, ending a 43-year career that has included several leadership positions as well as head football coach.

"It has been an honor and privilege to serve in various roles throughout my career," Eaton said. "I have enjoyed the challenge of being ICC's President. When you are blessed with such an outstanding, dedicated faculty and staff and Board of Trustees, it makes the job of being the president much easier."

Eaton became ICC's sixth president on July 1, 2013. He is credited with providing the leadership for every major initiative the College has undertaken in the last few years including chairman of the Institutional Effectiveness task force. The "Graduation...It Matters" campaign led to ICC's achieving the highest percentage increase in graduation rates among all 15 two-year institutions in Mississippi. Also, in 2013, ICC received the John C. and Earnestine McCall Halbrook award for the greatest improvement in percentage of athletes graduating (20 percent).

During Eaton's tenure, the Aspen Institute's College Excellence Program named ICC one of the nation's top 150 community colleges three times, and WalletHub selected ICC as the sixth best in the nation. Currently, a five-year plan is etching a new face on the Tupelo Campus, with the addition of a new physical plant and the construction of the two-story general academic building. A $3.5 million FEMA grant is funding a 13,585-square-foot multipurpose hazardous weather safe room which will also be home to the All-American Band at the Fulton Campus. Additional facility upgrades and construction include renovation of Tupelo's Technical Education Building to a Natural Science facility and the Health Science building to an Academic building at the Fulton Campus as well as a new indoor practice facility and improvements to the women's soccer complex, softball field and Cresap Field.

Under his leadership, initiatives such as the Furniture "Certified" Academy, dual-credit, accelerated terms and the LEAP summer bridge program have been implemented. In addition, through ICC's Any Time, Any Place, Anywhere focus, students can take advantage of multiple entry points, and its Public Health Technology program received an award even before it began.

His honors have included MACJC Sports Hall of Fame, ICC Athletic Hall of Fame, NJCAA Hall of Fame and in 2011, Eaton Field was dedicated in his honor at ICC.

He and his wife, Marcia, are the parents of two daughters, Mallory Eaton and Laura Bates (Todd). They have three grandchildren, Tyler, Sam and Mark Bates.

The Mirror staff has worked extra hard on the 2016-2017 edition due to the transition of professional staff. The 13-member student staff started getting ideas at the end of December before the winter break, but actually started working on it at the beginning of January. The last page of the 152-page book was sent to the publisher on March 7, 2017. This year's editor is Erin Griffith; co-editor Cary Reynolds; and director of photography, Lexi Ballard. The editors and staff would like to thank Nina Strother for being their adviser this year. Without her hard work and dedication, this yearbook would not be possible. We would also like to thank Donna Thomas for taking time out of her busy schedule to help us by proofreading all of the pages we have laid out. A special thanks to Maggie Caldwell, Kim Wiygul-Williams and Lee Adams for helping illustrate our yearbook with photography. We would also like to thank Adam Gore and Lee Adams for providing us with all of the sports information supplied. The editors would also like to thank the staff for working very efficiently in such a short amount of time. Without them, no deadline would have been met, and no book would have ever been published.

This year's theme was "Through the Eyes of an Indian." We chose this theme because we would like for anyone who reads our yearbook to see how we experience Itawamba Community College through our perspective. We felt that it was important to emphasize how others take part and how they may experience the organization of which they are a part. We hope that this book, in the future, will help people remember the good times they had while attending Itawamba Community College.

Sincerely,

- Erin, Cary, and Lexi

Your 2016-2017 *Mirror* editors

Letter from the Editor

While developing a theme for the 2016-2017 *Mirror*, I was overwhelmed with all of the different themes I could choose from. Since I am a freshman, I thought it would be a neat idea if we chose a theme to get an idea of what each organization is about. That way, people who are not as involved as others may use this yearbook to have a better understanding of the purpose of each.

As I have worked on the yearbook, I now know more about what it is like to be a part of each organization, and quotes from the members about how they enjoy the organization really helped to provide a better look of what this college is about.

Two of my main goals for this yearbook were aspect and unity. Although we will all have our own individual perspective and no viewpoint will be the same as each piece of the book comes together, I hope it will embody our school, family and experiences as one.

I will forever be thankful for the persistent effort and dedication the yearbook staff has displayed and for the undeniable support of every individual involved in creating this book. I am beyond honored and blessed to be able to be a part of compiling this year's yearbook as editor and have the opportunity to serve my school and leave a mark in its history. I hope this yearbook will enable you to revisit how you saw Itawamba Community College "Through the Eyes of an Indian."

Erin Griffith
